Диапазон нормальных значений указан в соответствии с рекомендациями производителя.

При использовании единиц измерения, отличающихся от приведенных, убедитесь, что значения стандартов, контрольных материалов, диапазонов нормальных значений и линейности метода введены в этих же единицах.

* -вводится из паспорта к калибратору (TruCal Myoglobin). Первая точка - физраствор.

Контроль по TruLab Protein уровень 1 и уровень 2.
